Re: Kettell v. Hall, Docket No. 08 civ 52

Dear Honorable Sir:

This firm represents defendant Suzanne Hall in the above referenced action.

Pursuant to the Order of this Court dated February 29, 2008 enclosed please find the *curriculum vitae* of James Reames of JBR Technology, Inc. Ms. Hall intends to engage Mr. Reames as a video forensic expert to analyze the Pearl Project tapes that are in the possession of Mr. Blumenstein to determine if they are original or copies and/or if they have been altered from their original content.

I have spoken to Mr. Reames with regard to preparing a letter of methodology. Unfortunately, he is away on business and will not be available to prepare such a letter until next week. As such, I respectfully request an extension to Thursday, March 20, 2008 to present the letter of methodology along with a corresponding extension to Tuesday, March 25, 2008 for plaintiff to note any objections.

I thank the Court for its consideration in this regard.

Respectfully,

Jeffrey C. Ruderman
